NEWS FROM AROUND DIVISION 32

Koester's Comments

Another Kiwanis One Day has come and gone this past April 4th. The weather was great which made it nice for those outside projects. The projects in our Division ranged from building playground equipment, holding a book drive, cleaning a library, having a Senior Breakfast, cleaning up graffiti, Hoofing it for the Homeless, having a sock and underwear drive, and planting flowers for seniors. You all did a great job and filled a need for many.

The month of May is filled with many events starting with the Zone Conference on May 2nd at Renton Technical College. This is like a mini convention right here in town. You will listen to interesting programs, hear the candidates running for Governor, elect your next Lt. Governor and have a chance to take a Food Handlers class. You will also get a chance to hear the pros and cons of the proposed New District Governance System. It is

not too late to sign up. It would be great to see you there.

Also in May, we have CLE (Club Leadership Education), being held at Green River Community College in Auburn on May 16th. This year Kiwanis Intl. has revised the program. I urge you to get your officers and any other club members that are interested signed up for the class.

It is just GREAT to be a KIWANIAN!

KARNEY'S 44 KID'S CAMP - JUNE 20, 2009, IN KENT

Mike Karney is a Professional Football Player with the St. Louis Rams, as well as the Chairman of Karney Foundation Association. The main goal of the foundation is to give back to the youth of his hometown of Kent both through educational and monetary resources. Since its start on January 1, 2008, the Karney Foundation Association has been received with overwhelming excitement and success. It is amazing how many individuals and organizations in our community are dedicated to bettering the future of our youth.

The first year's youth football camp went above and beyond their expectations, with over 200 participants. He is now beginning preparations for his second camp. The goal of the non-profit camp is to use football as a vehicle to inspire and instill the proper fundamentals and skills to not only become a better football player, but also to become a successful individual both on and off the field.

The 2nd Annual Karney's 44 Kids Camp will be a one day event held in Kent at French Field at Kent Meridian High School, on June 20th, 2009. In addition to local coaches from the Kent area, they will also have current and former NFL players on hand to instruct the kids.

Mike has asked that Kiwanis consider joining him in sponsoring local youth from our community and making Saturday, June 20th, a memorable day for those attending the camp. Mike was fortunate enough to have positive role models throughout his life, showing the importance of being a strong individual both on and off the field. Hosting this camp in Kent is a way to help instill the same values in today's youth. These children are the future of our community, and together we can make a positive impact in their lives.

Any funds left over, after covering all camp expenses, will be donated to the Kent and Covington communities. Mike's belief is that it is OUR duty and responsibility to help shape the lives of today's youth. As members of our community, your sponsorship and support would be greatly appreciated. We are hoping that each club in our division would pick and sponsor a child for the camp at a cost of \$75 per camper as well as have one or two club members assist the day of the event. For more information, contact Howard Montoure at montoure@msn.com, Flyers will be available at the DCM.

Kiwanis Campout at Howard Montoure's

Picture of Howard's outdoor kitchen at his place In Onalaska.

On July 17th to the 19th, Howard Montoure will be having a campout at his property in Onalaska. The location is beautiful, with places to pitch a tent and plenty of room for campers. Nice cooking area, actually state of the art chef drooling area, outdoor flat screen TV, fire pit, but most importantly a great opportunity to get away and hang out with other Kiwanians. You do not have to camp, you can come for the day and hang out or stay for the weekend. There are also cabins available down the road. We want to make this event a huge success. Get your RSVP in to Pamela Smith as soon as possible so the details can be worked out regarding food and other items. Contact Pamela at 253-334-1146, or pslt.gov32@yahoo.com
